

THE MONROE COUNTY MEDICAL SOCIETY
PRESENTS

Office Efficiency & Banking
Jodi Davies, Lynn Ryan, and Stella Slaight

M & T Bank

Understanding the use of cutting edge banking technology can eliminate much of the paperwork burdening your practice's productivity. Staying abreast of the rapidly changing healthcare industry can become daunting. Don't let time consuming day-to-day processes slow down your practice's workflow. Explore the new technological advances occurring in the banking marketplace while improving the efficiency and organization of your daily operations.

Lynn, Stella and Jodi have been involved in commercial banking for over 20 years. They specialize in working with healthcare business and finding solutions for cash management and merchant services. Join us for this seminar and empower your practice to step into the future of banking technology.
