

**Planning?
Implementing?
Implemented?**

No matter what EMR stage you're in, you'll benefit from our next MCMS Implementation Peer Group featuring **Dr. Douglas Bennett of Irondequoit Pediatrics!**

Dr. Douglas Bennett, who has been in primary care pediatrics since 1995, is the Office Champion for Irondequoit Pediatrics.

The practice, which consists of three physicians and one PNP, is currently implementing the Medent 18.1 EMR. They are adding it to their already established Medent Practice Management System.

Dr. Bennett has completed his HIPAA Security Manual using the Gates and Moore Template and has a thorough implementation schedule laid out for his practice.

This peer group is recommended to all physicians and staff members in ANY stage of the EMR process and all questions are welcome.

When: March 11th, 2010 from 7:30-8:30am.

Where: Monroe County Medical Society

Register: 473-4072 (MCMS Physician line) servicebureau@mcms.org

Attend via phone conference: Call-in number is 1-888-809-4012.
Access code: 4734072

PLEASE SUBMIT any questions you have prior to the session so that the Service Bureau and Dr. Bennett have time to prepare answers.

* **ALSO**, if you or any of your staff would like to volunteer to be a part of the guest Q&A panel, please let us know.

Go-Live Reminder

EHR adoption involves multiple organizations... it is essential that the physician practice communicate effectively.

1. **Keep the MCMS Service Bureau updated on when your practice will "GO LIVE" with their EHR**
2. **Make sure your EHR vendor has your practice scheduled to be interfaced to the RHIO.**
