## PREPARING FOR VALUE-BASED PAYMENT

### ~ How to Survive Medicare's Merit Based Incentive Program (MIPS) ~

MACRA, the legislation that repealed the SGR, sets into motion a change in payment for physicians that is truly practice altering.

In 2017, MIPS ushers in the shift from fee-for-service to value-based payment, which will link payment to measures of cost, process and outcomes — that will increase yearly. Physicians will need a new set of tools and skills to succeed in this new world of healthcare.
