+ CEUs 3 per person, per session

Practice Management Institute grants CEUs for its certified professionals based on total number of instructional hours (1 CEU per hour of classroom instruction). CEUs may be applied to annual renewal requirements as noted on pmiMD.com.

Advance preparation will help you forecast the impact on billing for your specialty in 2024.

Coding and reimbursement teams should attend to address questions, learn how to reduce denials, and stay compliant.

The New CPT® code and regulatory changes go into effect on January 1st. All proposed key changes to the procedural code set, guidelines and issues that may impact provider reimbursement will be addressed.

- Coding and Payment for Social Determinants of Health risk assessments
- Rural Health Clinics (RHCs) and Federally Qualified Health Centers (FQHCs)
- Preventive vaccine administration services under Part B
- Updates to Electronic Prescribing for Controlled Substances (EPCS)
- Expansion of eligible clinicians providing Behavioral Health Services
- Supervision Policy for Physical and Occupational Therapists in private practice
- Payment for Diabetes Self-Management Training (DSMT) Services
- Pausing efforts to implement the AUC for Advanced Diagnostic Imaging Program
- Medicare and Medicaid provider enrollment
- Medicare Shared Savings Program-related updates
- Separate add-on payment for HCPCS code G2211
- Drugs and Biologicals Payable Under Medicare Part B
- Payment for certain dental services linked to covered services used to treat cancer

**Participants will need a 2024 CPT manual to reference the context of the changes. Medical coders, billers, providers, managers are encouraged to attend.*
